Dear Parent/Guardian:

We are entering the season of JOY and of GIVING, but for some it passes by without many to celebrate it with. This is the case for many of our seniors living in Long Term Care.

When some of our youth (who were in attendance on Sunday morning) were offered some choices about this year's Christmas party, we were so pleased to find that their preferred option was to spread some Christmas cheer by going unit to unit and sing some Christmas carols at the Georgian Manor. So beautiful.

So, on December 12th, we are asking both the Junior and Senior youth to arrive at Covenant at 6:15. We will walk the short distance to the Georgian Manor together and return to Covenant afterwards for some pizza and refreshments.

Youth can be picked up at the Church at 9.

Because we will be leaving premises, we require your consent. Please sign below and return prior to December 12th.

Thank you and may you have a very blessed Christmas!

Sincerely,

The Covenant Youth Leadership Team
